SERVICES

Library
The Cedars provides a library service which includes a selection of large-print books. The local Mobile Library visits regularly to exchange titles.

Activities
We make sure there are daily activities if Residents want to join in, including Exercise Classes, Craft Classes, Musical Entertainment, Quizzes etc.

Mini-Bus
A mini-bus with a tailgate lift for wheelchairs is regularly used for day trips and visits, with a trained first-aider always on board.

Hairdresser
A qualified mobile stylist visits The Cedars on a weekly basis.

Health
Where possible, Residents may prefer to retain their exiting GP. However, weekly surgeries are held in-house by a local GP.

Worship
A strong Christian ethic is encouraged within the Cedars, however Residents are fully supported in practicing the religion of their choice.

Visitors
Friends and family are most welcome to visit residents at all times.

About The Cedars

Set within exquisite gardens and providing 21 well-appointed private rooms as well as public areas with fine architectural features and, soft furnishings, The Cedars provides all the services, facilities and range of a social activities expected of a first-class, up-to-date Care Home.

Our staff put your needs first

Here at The Cedars we strongly believe quality of life in age is all about reassurance, engagement, excitement, living for today and looking forward to tomorrow. It's all about the present and the future and not just the past.

Highest Standards

The very highest standards of staff training are demonstrated by the team at The Cedars. Well qualified and experienced, they are committed to ensuring a careful balance between dignified independence for residents, whilst providing whatever personal care and specialist support is required.

Our Staff

Each member of staff is comprehensively trained to provide hands-on help with the activities of daily living. Additionally, a Doctor makes weekly visits to attend to any health concerns that may arise, providing families with the peace of mind that comes from knowing that their loved ones are being supported by qualified, caring individuals.

INTERNAL FACILITIES

Bedrooms

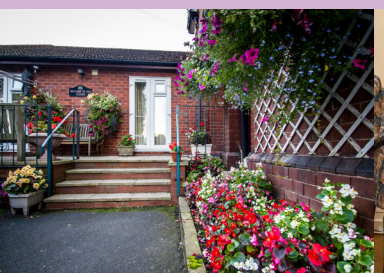
The Cedars provides thoughtfully furnished well-equipped, private bedrooms, most with en-suite facilities.

Bathrooms & Facilities

Most bedrooms have en-suite facilities, however with a strong emphasis on independence and dignity, The Cedars also provides additional toilets and bathrooms, well equipped with aids to help Residents

Housekeeping & Laundry Services

There is regular, thorough cleaning of all private rooms and communal areas to maintain a hygienic, spotless environment. A comprehensive laundry service is carried out on site, using commercial equipment and is included within The Cedars' fee structure. Dry cleaning fees are charged extra.

Dining


The Cedars prides itself on its high standards of cuisine. A menu created by skilled cooks caters for individual tastes and needs and particular attention is paid to providing nutritious well-balanced meals, using seasonal, locally sourced ingredients. Special diets for cultural, religious or medical reasons are catered for and drinks and snacks are available at any time during the day or night. Residents may dine in their own rooms if they wish.
